## "Fun For You" Brings Together Much Local Talent; All In Readiness For Show To-Night In Arena

Stars of To-Day And To-Morrow Combine to Stage Largest Community Show Sponsored in Years; Large Cast of Youngsters Give Added Color

Miss Mary Wainscott

One of the biggest shows ever sponsored by local talent in many years will be staged tonight and tomorrow night in the Coleman arena when "Fun For You" will be staged under the auspices of Coleman Lions Club. The show starts both evenings at 8:26 p.m.

The show is based on a number of big time radio comedy hit shows, among them being Dr. I. Q., Breakfast in Hollywood; Joe Kelly and the Quiz Kids, Barn Dancers, Uncle Ezra; Duke of Paducah, Minnie Pearl and several others. The radio announcer will be Harry Von Zell.

## Coleman To Gap Road Survey Completed

Surveyors Find No Physical Obstacle to the Construction of the Road; Sam Sagoff Building Road

Mr. Frank Grindley, engineer in charge of the Coleman to the Gap road survey announces that the survey has been completed. Several of the junior technicians on the survey party returned to University on September 17. These include Walter Begg, Ben Van Hees, and Happy Bearsto.

Mr. Grindley and his party have found no physical obstacle to the construction of the road but rainfall earlier in the summer hampered the survey.

Mr. Sam Sagoff, well known Coleman contractor, is building the road under the supervision of Mr. Irvin Frew and Mr. Rowe, of the Forestry service.

A pioneer road has been shovelled through by a bulldozer but this is not possible to ordinary vehicles. The road heads north from Coleman to a summit at the top of Blairemore creek and then drops into Vicary Creek. The east bank of Vicary was too rocky and precipitous so the route crossed over to the west bank and thence down to the Racehorse. The road will then go down the Racehorse into the Gap Ranger station.

When completed the road will be a main arterial road through

als Jim Cousins. To name a few of the popular stars in the cast there will be Polly Purvis, Fred Guedard, Harry Holmes, Jack Jones, Cecil Coover, etc. In addition there will be youngsters from the primary grades who will be out there strummin' their stuff just for Mom and Dad. There will be singing, dancing, music, impersonations and a stirring patriotic finale in the form of a tableau of the history of the Dominion.

Miss Mary Wainscott is the director and states that without a doubt the Coleman people are one of the most talented groups she has ever had the pleasure of directing and she predicts an outstanding show.

On Friday the Royalty of Toyland will be crowned on the stage, gifts to be awarded the winners whose pictures are on display in Pattison's window. Twenty three entries have been received today and each aspirant for the crown has been allotted a local store and each vote costs 1c for your favorite candidate. Information as to where you should vote for your favorite candidate can be secured in the Pattison Hardware window. You have up to 2 o'clock tomorrow afternoon to record your votes.

Proceeds from the show will be used by the Lions' club to further its community activity.

## Matt's Shoe Store Business Sold

Rudy Yeliga New Owner; Mr. Kropinak and Family to Reside at Creston; May Purchase Fruit Farm.

Matt's Shoe Store, owned and operated during the past four years by Matt Kropinak, was sold during the week to Mr. Rudy Yeliga, resident of West Coleman.

Mr. Kropinak came to Coleman fifteen years ago from Tod Creek, his birth place, and worked in the mines here. In 1942 he married Miss Alice Simla, of Princeton as their vice-presidents.

## E. R. McFarland First President Of Southern Trans-Canada Highway Association

Coleman's Board of Trade President P. A. Dickieson Appointed To Alberta Directorship Along With Mayor J. A. Jardine of Lethbridge

Nelson, B.C. — E. R. McFarland, president of the Lethbridge Chamber of Commerce, was unanimously elected head of the Southern Trans-Canada Highway Association when it was formed as a permanent organization. No other nominations for the presidency were advanced and Mr. McFarland received sustained applause as he took over the chairmanship of the association's first annual conference.

Walter Hendricks of Nelson was unanimously elected first vice-president and the central executive of the association was rounded out with delegates from each province holding separate meetings to establish their provincial organizations.

Each provincial president automatically became a member of the major highway association's central executive and will be assisted in his work by two provincial vice-presidents.

The Alberta section of the association unanimously chose Mayor J. A. Jardine of Lethbridge as its president and selected Mayor W. M. Rae of Medicine Hat and P. A. Dickieson of Coleman as its vice-presidents.

British Columbia delegates selected W. Jeffrey of Moose Jaw as their president and William Begin of Cadillac and Alderman G. B. Grant of Regina as vice-presidents.

Saskatchewan delegates selected W. Jeffrey of Moose Jaw as their president and William Begin of Cadillac and Alderman G. B. Grant of Regina as vice-presidents.

He plans residing in Coleman another two weeks in order to acquaint Mr. Yeliga with the machinery in the shoe shop and to introduce him to numerous customers.

Mr. and Mrs. Kropinak and two young children will leave at the end of the two weeks for Creston where they will endeavor to purchase a fruit orchard.

During the fall and winter season however Mr. Kropinak will probably open up a small shoe repair shop to occupy his time until spring work rolls around on his orchard.

Mr. Yeliga is the son of Mr. and Mrs. Joe Mayerchak of West Coleman. They have resided here the past four years. Mr. Yeliga has learned his apprenticeship in the shoe repair business and has already started work in his new store.

Alberta's Forest Reserve and will implement the Eastern Rockies Forest Conservation Program.

## T. B. Clinic Here On Morning Morning

Expect 2500 to 3000 Persons To Go Through Clinic Next Week.

Coleman Lions club, sponsors of the provincial T.B. Clinic to Coleman next week, is fairly confident that a figure greatly in excess of the 1763 attendance set at the last visit of the clinic here a few years ago, will be reached when all citizens have gone through the clinic will have been counted.

Monday afternoon following classes thirty high school students were allotted certain zones in Coleman and district and assigned the task of canvassing all homes within their respective zone. Names of all persons desirous of being X-rayed will be taken as well as the time they desire to attend the clinic.

Later this week cards will be sent out to all those registered informing them of the time and day they should visit the clinic. The schedule will adhere as closely as possible to the time recorded on the card filled in by the canvassers. The Clinic can handle 80 persons per hour. Citizens should make it a

## JOHNNY RYPIEN SIGNS WITH LETHBRIDGE MAPLE LEAFS

Coleman's Johnny Ryplen left on Tuesday for Lethbridge where he will report to the Maple Leaf hockey officials.

He signed with the Leafs last year after having played last year with Portland and the year previously with New Westminster in the Pacific Coast League. He is one of the stars of the Coleman Pee Wee league of years ago.

Mrs. John Bileich and son Pete, of San Francisco, Calif., arrived in Coleman on Tuesday afternoon and are the guests of the former's brother and sister-in-law, Mr. and Mrs. John Kovack.

Mrs. Bileich and Mr. Kovack had not met each other for over forty two years and are now busy catching up on family history.

## Expect Municipal Hospital To Be Ready To Receive Patients In December

Plasterers Expected to be Finished in Two Weeks Electricians Installing Electrical Equipment; Decorators Soon on Job; Matron to Commence Duties On November 1

Work on the Crows Nest Pass Municipal hospital has been

long and slow but the end would appear to be in sight. It is the fond hope of the Board that it might receive the keys to the building about the middle of December and have patients admitted to the Pass' new and modern 60-bed hospital a day or two later.

The plasterers are now working on the ground floor after having completed the two top floors, the terrazzo floor men should soon be finished their work which has lasted several weeks, the electricians are following up work gangs ahead of them and last week installed heavy power meters and a few light fixtures to permit evening work.

On the top floor the final concrete floor was laid in all wards and the corridor. The doors will be hung on this floor within a short time and then all will be in readiness for the decorators to start their work. Equipment such as baths, sterilizers, etc. have as yet to be installed on this floor.

Basing their hopes on a December opening the Board members advertised last week in four provincial dailies for a nursing superintendent, duties to commence on November 1. The lady who gets the job will have her work cut out for her in employing her staff and getting the hospital organized. The Board has purchased much linen in bulk and it is probable that the nursing superintendent will have to seek the assistance of several ladies' organizations in the Pass to come to her aid in making sheets and pillow cases as well as towelling.

Many applications for various positions in the hospital have been received by the Board. However it is likely that the Board will give the applications to the matron and give her assistance in securing her staff.

At the next meeting of the Board discussion is expected to be given plans on the official opening of the building. While

## Progress In Science

**THE PLACE OF RESEARCH IN THE** national economy has become increasingly important. During the war, the value of research work was recognized in all countries and it was shown that well trained scientists, given adequate facilities and financial support, were able to make great contributions toward solving many of the most complex problems of the times. A notable example of this was the opening up of the great new field of atomic energy, a development which might not have taken place for many years yet had not scientists been given the resources and support to carry on intensive research work, with the object of producing the atomic bomb.

### More Money Is Being Spent

In Canada, the need for research work in furthering the development of our peacetime economy has been recognized, and the amounts spent to provide for scientific research has been substantially increased. The Rt. Hon. C. D. Howe, Minister of Reconstruction and Supply, recently announced that the Canadian government now spends more than \$40,000,000 annually on research and scientific activity. In 1946, the amount allocated to this work was \$30,000,000 and in 1945 it was \$35,000,000. In 1938, only \$6,000,000 was allowed for this purpose, showing the expansion which has taken place since that time. Of the \$40,000,000 spent this year, it is estimated that \$34,000,000 will be used for research and development work, of which \$6,000,000 will be spent on construction and purchase of equipment.

In his report Mr. Howe drew attention to the fact that during the last years of the war, research and other scientific work for military purposes was three or four times greater than that done for civilian purposes. Now, however, it is expected that two-thirds of the annual expenditures will be devoted to problems related to the country's peacetime economy. In addition to the work which is being done under the auspices of the Dominion government, \$5,000,000 is being spent by the governments of eight provinces for scientific work on matters which are within their own jurisdiction. The per capita expenditure for each province for this work is: Ontario \$2 cents, Nova Scotia 43 cents, British Columbia 42 cents, Prince Edward Island 37 cents, New Brunswick 36 cents, Alberta 33 cents, Saskatchewan 27 cents, and Manitoba 26 cents. Quebec's expenditure was not announced. These reports indicate that support for scientific research and development in Canada is increasing and this will undoubtedly mean that there will be progress in agriculture, medicine, industry and other matters essential to the welfare of the nation.

### Honest Man Works Years To Pay Debt

HARROW, England. A white-haired man of 73 went back to his counter job in a London store recently—clear at last of a £42 (\$168) debt. It had taken him 37 years to pay.

In 1911 William Walton's outfitter's shop in Liverpool went bankrupt and Walton earned a form of shirt manufacturers £42. He decided he would pay the debt with interest no matter how long it took. He got a job as store assistant and put aside part of his wages every week.

Air is a mixture of gases, and not a chemical compound.

## If Your Nose Fills Up

DO THIS  
to make breathing easier—  
invite restful sleep!

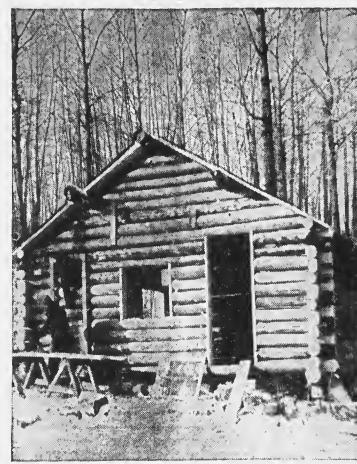

"Do women need to suffer so?"—mothers are often asked. One mother writes:

"The doctor's nurse recommended Paradol when my daughter feared she would lose her job because of her nose trouble. Now she loses no time and does not suffer pain or distress any more."

Paradol is the answer for women who suffer each month. Quick relief from nasal aches and neuralgic pains. The name "Dr. Chase's" is your assurance that Paradol is in your purse.

DR. CHASE'S  
**PARADOL**

**MACDONALD'S  
BRIER**  
Canada's Standard Smoke

**HOUSE OF LOGS.**—Eugene Barillot, P.O. Grosmont, Alta., is shown in this picture. He is a logger for the timber company, says a reporter: "A well built log house is warmer when built with expensive lumber—it is warmer in winter and cooler in summer when built on a good foundation like this one (cement and rocks). I am just planning boards for future work." Mr. Barillot lives on a homestead of 115 acres. There are large farms around but most of the land is still in poplar bush.

### Irrigation Dam To Be Built Near Medicine Hat

MEDICINE HAT.—E. L. Gray of Regina, superintendent of water development for the Prairie Farmers Rehabilitation Act, confirmed reports that an irrigation dam will be built across Gres Vente Creek, 40 miles southeast, to provide a greater water reserve for irrigation between Irvine, Alta., and Medicine Hat.

He said an appropriation has been set aside and the project will be started as soon as the provincial water resources board gives its approval.

The dam, estimated to cost between \$20,000 and \$25,000, will provide additional storage for 6,000 acre-feet of water. The flow will augment supplies in dry years through the Gres Vente and Ross Creek course which joins near Irvine.

### High Prices Force Vegetarians To Become Meat Eaters

VICTORIA. Even vegetarians are having a hard time with the high cost of living.

They have joined the ranks of the meat eaters in high-price protests.

Fruit and vegetables today are three times higher than they were 10 years ago.

"I don't believe you know the meaning of the word 'courtship,'" said the designing young woman.

"Don't I?" replied the wary young man. "Courtship means running after a woman till she catches you!"

"I believe you'd rather sit playing cards with dad than take me out!"

"No darling, but we must have money to get married on."

Student: "The landlady of my last boardinghouse wept when I left."

New Landlady: "Oh, that's all right. I won't. I always insist on payment in advance."

Husband: "No two men in the world are equally alike."

Wife: "Well, I don't know. I wouldn't like marrying again, anyhow."

Tommy: "What's the matter. Has your girl turned you down?"

Pilot: "Yes, I haven't heard from her for a week."

Tommy: "I thought she said she would write every day."

Pilot: "Yes, but she didn't say to whom."

An intimation to slow-paying customers has been prominently displayed by a country checkkeeper:

"All persons indebted to our shop are requested to call and settle. All indebted to our shop and not known to us are those keepers who are indebted and not wishing to call are requested to remain in one place long enough for us to catch them."

# World News In Pictures

**TRAIN WRECK AT GEORGETOWN, ONT.**—These two boys sleeping in a pop tent narrowly escaped when flaming box car plunged down embankment behind them after train wreck at Georgetown, Ont. Three were hurt. Mangled bodies of cattle were crushed and a score of injured animals had

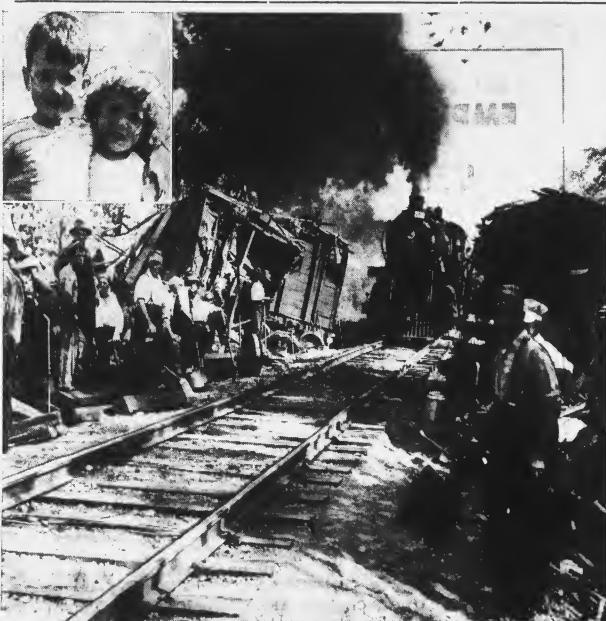

to be shot as they hobbled from burning box cars. Engine of through train plowed into the rear of standing freight, as shown. The engineer leaped before the crash. Wrecked freight piled up in tangled mass after fast-

moving freight crashed into rear of a standing freight train one mile west of Georgetown C.N.R. station. Box cars were telescoped and burned. One locomotive turned on its side in a burst of flame.—S.N.S. photo.

**PRINCESS JULIANA IS NEW QUEEN OF THE NETHERLANDS**—Pageantry of House of Orange was on display, flags waved and thousands cheered their Royal leaders in Amsterdam, Holland, as Queen Wilhelmina, who is abdicating after 50 years, appears on the balcony in front of the royal palace in Dam Square. Juliana, Bernhard and their four daughters are also on balcony. All Holland celebrated with blaze of flags. Juliana, 39-year-old daughter of the queen, became Queen of the Netherlands the moment her mother officially abdicated the throne. S.N.S. photo.

**BOY DIES IN TRAIN CRASH**—Sleeping in caboose of train stalled on the tracks two miles east of Birdsall station, near Peterboro, Ont., Kenneth Bull, shown inset with sister, was killed when a heavy freight train smashed into it. Workmen are shown here clearing wreckage. Ten-year-old boy was taking a holiday ride with father, who was conductor. Seven box cars were derailed. S.N.S. photo.

**HOLIDAY IN ENGLAND FOR QUEEN OF INDIES**—Chosen Miss British Caribbean of 1948, Phyllis Woolford, daughter of Sir Bustace Woolford, K.C., won for herself a two-week holiday in England plus a place in the Miss Britain's beauty show. Beauty queens from many of the Caribbean islands competed. Reuterphoto from S.N.S.

**KILLER DRIVERS CAR**—Stanley Barker, 16, (above), Toronto, was instantly killed when a stock model car, driven by a daredevil driver, went out of control and rolled into the spectator section of the race track at Sutton, Ont., after stunting through a flaming board wall. Four other persons were injured when the car, driven by Barny Ross, 19, of Etobicoke, Ont., Toronto, hit the wooden fence of the Toronto Race Day and Motorcycle association, plowing through the fence, race track barrier of two-by-four timbers and a snow fence 20 feet away.—S.N.S. photo.

**WINS SCHOLARSHIP**—Olga Landak of London, Ont., has won the first major scholarship to be awarded by the London Little theatre. This will make it possible for Olga to enter the famous Royal Academy of Dramatic Art in London, England, this fall. S.N.S. photo.

**WINNIPEG BOY FIRST INTO C.N.E.**—First customer to enter the Canadian National Exhibition was blind David Axford, 11, of Winnipeg. Another out-of-towner, John Bateman, 12, of Sioux Lookout, Ont., was a close second. They had lined up at midnight.—S.N.S. photo.

**JUST LOOK AT WHAT THIS DOG SHED!**—Mother usually grumbles when the family dog sheds his coat, but not if it's a Samoyed. Its coat, shed every spring, makes fine yarn and cloth. Betty Jane Pike wears tam woven from woolen undercoat of "Kaan Mark" here for a C.N.E. fashion show. Miss Pike, of Toronto, was among the top ten entrants in the recent "Miss Canada" pageant.—S.N.S. photo.

## LOCAL NEWS

WON SILVER MEDAL

LENOIRE DUTIL

daughter of Councillor and Mrs. Wilfrid Dutil who has won a silver medal for grade VII piano examinations held by the Western Board of Music last June.

Lenore, who is receiving the congratulations of her friends on her fine achievement, is the pupil of Mrs. Alice Buckna.

V.

A GOVERNMENT ANNUITY is your safeguard against dependency in your old age. Prepare for your future now — then you will never need to look back and say regretfully, "If Only...."

*If Only....*

LENORE DUTIL

daughter of Councillor and Mrs. Wilfrid Dutil who has won a silver medal for grade VII piano examinations held by the Western Board of Music last June.

Lenore, who is receiving the congratulations of her friends on her fine achievement, is the pupil of Mrs. Alice Buckna.

V.

To hand this week is a letter from Mrs. W. A. Vaughn of Vancouver, BC, informing us of the death of her beloved husband, Wilbur A. Vaughn, which occurred on Wednesday, August 25. He had been ill for quite some time and was in the City hospital at the time of his death.

Mr. Vaughn resided in Blairstown for a number of years where he represented various wholesale grocery firms through the Crow. For a while he resided at Wolfville, NS, where he operated as a coal dealer. About three years ago along with Mrs. Vaughn residence was established at the coast. He was an ardent fisherman and while here teamed up with the late W. J. Bartlett on many fishing trips.

The deceased leaves to mourn his wife, one daughter, Audrey, married and residing in southern Alberta, and two sons, Horace and Jack.

The funeral was held in Vancouver on August 30, with all the family present. Audrey arrived by plane from Lethbridge, before her father died. — Blairstown Graphic.

Mr. Vaughn was a Canadian Government Annuity guarantee as much as \$1200 a year for life.

No Medical Examination is required.

Your Annuity cannot be seized under any law. You cannot lose your money even if your payments fall into arrears.

Anyone, from 5 to 85, is eligible.

**"If It Is To Be Had, We Have It"**  
**Is Motto Of Coleman's Popular Drug Store, Coleman Pharmacy**

The fact that the Coleman Pharmacy furnishes a most up-to-date service and is providing for the residents' needs, has made this place of business the headquarters for drug and prescription service not only in the community but also over this section. It is a modern store carrying a full line of popular drugs and remedies, being headquarters for the famous Rexall Drug Products.

This store is owned by Mr. G. Steeves, and is under the capable management of Mr. F. W. Smith. Mr. Smith is a graduate pharmacist, with twenty five years experience, whose technical education and wide experience have fitted him for the

filling of all prescriptions, regardless of their intricacy. A complete stock of drugs is always on hand, and one may be assured of receiving fresh goods at all times. There, too, one will find their favorite patent medicine, as well as toilet articles, furniture polish, cameras, films, stationery and tobaccos. For the best possible quality in drugs and sundries, visit and look over the stock at the Coleman Pharmacy.

Both Mr. Steeves, the owner, and Mr. Smith, the manager are altogether conversant with every detail of retail drug business. No matter what the need may be, if a drug store can supply you, the Coleman Pharmacy is the one to call.

**WEDDINGS****HARRY — CYR**

St. Michael's church, Pincher Creek, was the scene of a pretty wedding ceremony on Monday morning, Sept. 6, at 9:30 o'clock when Melvina Priscilla, eldest daughter of Mr. and Mrs. J. Dick, of Coleman, exchanged marriage vows with Frank Gerhiny, son of Mr. and Mrs. F. Gerhiny, of Coleman. Rev. Fr. Leo Sullivan officiated at the nuptial mass.

The bride, given in marriage by her father, the bride entered the church charmingly gowned in ivory satin with nylon yolk fashioned with lace rosettes, lily point sleeves and a satin pelum over a full skirt. Her floor length veil was held in place by a sweetheart coronet of fine lace. She carried a bouquet of red roses and a white prayer book from which fell white streamers. Her only ornament was a string of pearls, a gift of the groom.

Miss Alma Cyr, R.N., sister of the bride, was matron of honor and the Misses Clara and Nancy Harry, sisters of the groom, were bridesmaids.

Mr. Genario was best man and the ushers were Messrs. J. Ondrus and M. Kubica.

A wedding breakfast was served to thirty guests at the home of the bride's parents immediately after the ceremony. The toast to "The Bride" was proposed by Rev. Father Tardiff and ably responded to by the groom. Many friends attended the reception in the afternoon to congratulate and express best wishes for a long happily married life to the newly weds.

In the late afternoon the bride and groom left for Great Falls and Yellowstone National Park on their honeymoon.

Mrs. Harry is a graduate of the Holy Cross school of Nursing and has recently been employed at Blairmore.

A reception was held at the

home of the bride's parents where approximately 100 guests assembled. The bride's table was centred by a three tiered wedding cake flanked by pastel colored gladioli.

Father Sullivan proposed the toast to "The Bride" to which the groom responded.

The young couple left on a honeymoon to Calgary and Banff. For travelling the bride chose a brown tweed suit with matching accessories and a corset of yellow roses.

Upon their return the young couple will take up residence at Sentinel where the groom is employed.

**Letter To The Editor**

Coleman, Alberta,  
15th Sept., 1948

The Editor,  
Coleman Journal.  
Coleman.

Dear Sir,

In a recent issue of the "Lethbridge Herald", there appeared an account of the musical activities of teachers and pupils of the Crows Nest Pass. Earlier in the year, music lovers in the Pass heard of the success of these pupils in the festival held in Lethbridge. The writer wonders if it would not be possible for local people to hear these students perform at a festival such as was held annually in Blairmore until restrictions resulting from war conditions made it impracticable.

There are in the district boys

and girls who have been taking music lessons for several years, but who have had few if any opportunities to appear in public. This is another reason that a musical festival should be held in the Pass, providing an incentive for these young people to continue their studies. Then, too, an event of this nature is good publicity in addition to maintaining the reputation in musical circles which this district has so justly earned, and fostering an interest in the cultural side of life.

The writer feels sure that there are quite a few who would be willing to contribute some effort to the organizing of such a festival in conjunction with the committee but whose number, it is understood, has in recent years been depleted. Could that committee be persuaded to take some action in this connection provided assistance in the work were forthcoming?

Your truly,

D. M. Duncanson

## REFUNDABLE SAVINGS CHEQUES

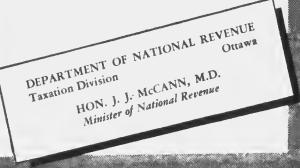

(To be mailed by 31st March, 1949)

If your name or address has changed since 1943—fill out the special "Change of Address" Card available at all Post Offices and Income Tax Offices.

Mail the "Change of Address" Card before October 31st, 1948.

Mail this card even if you completed one last year.

You should *not* fill out a "Change of Address" Card if both your name and address are still the same as in 1943.

### WEDDINGS

#### MILTON—SNIDER

Before a large gathering of friends in Keary Street United church, New Westminster, on Wednesday, Sept. 1, Miss Elsie Snider exchanged nuptial vows with Mr. Albert Milton. The bride is the daughter of Mr. and Mrs. J. Snider of 915 Harris Ave, New Westminster; the groom only son of Mr. and Mrs. E. L. Milton, of Cloverdale.

Rev. T. D. Barnett performed the ceremony.

The bride was lovely in her white wedding gown, with lace top, full lace sleeves to the elbow and nylon sheer skirt. Her finger tip veil was held in place by a wreath of swansea, stephanotis and shattered white carnations. The bride carried a bouquet of red roses, white carnations and stephanotis.

Miss Lena Snider attended her sister as bridesmaid. She chose a pale blue taffeta gown with lace top and bolero. She carried a bouquet of mixed flowers and wore matching flowers in her hair.

Groomsmen was Allan Dan of Cloverdale. Francis Snider cousin of the bride and Lorne Smith were ushers.

Following the marriage a reception was held at the home of the uncle and aunt of the groom, Mr. and Mrs. L. C. Staley, of New Westminster. Assisting in receiving the guests were the mothers of the principals. Mrs. Snider wore a dress of printed silk, with matching accessories. Her corsage was of white gladiolas with rose centres. Mrs. Milton chose a wine dressmaker suit with hat and accessories in black. Her corsage was of autumn flowers.

Presiding at the tea tables were Mrs. H. L. Parr of Cloverdale and Mrs. Steve Snider of New Westminster, sister-in law of the bride. Servers were Mrs. Harry Saunders, Mrs. L. Smith, Miss Delores Peterson and Miss Gwen Norton of Victoria.

Mr. and Mrs. Milton motor ed to Interior British Columbia on their wedding trip. They will reside at 755 King Street, Cloverdale.

### Surprise Party

Mr. and Mrs. A. Belevich, formerly of Coleman, have purchased a home in Vancouver at 865 West 18th Ave. near the General Hospital where Belevich is now employed.

On Sept. 15 a number of their friends surprised them with a house warming party. It was also Mr. Belevich's birthday.

Some of those present were former Coleman residents: Mr. and Mrs. Dan Kolesnik, former Colemanites, Mr. and Mrs. S. Clymchuk, Kathleen Clymchuk being a former Coleman resident; Mr. and Mrs. C. Campbell, Mrs. Campbell was formerly Mary Patena of Frank; Mr. and Mrs. Unger Mr. and Mrs. D. Kelly, Mr. and Mrs. C. Mark, all of Vancouver; Miss Jennie Gurksnis formerly of Coleman; Mr. and Mrs. A. Grinkus, their son-in-law and daughter, and two grandchildren, Anthony and Anita Grinkus.

Mr. and Mrs. Belevich extend a cordial invitation to their Coleman friends, whenever they visit Vancouver, to visit them at their new home.

## EVERYBODY'S BUSINESS

by  
*Dou Graham*

Would you like to experience one of the happiest, most interesting days in your life — tomorrow?

You will if you make it a "Double Day" — a day during which you try to practice certain principles with twice your normal effort.

For instance, with people — everyone you meet during the day — make a *double* effort to be kind and helpful. Try to be *twice* as interested in each one, *twice* as appreciative of their good qualities.

On the job too, there are many things you can profitably try to double: your concentration; your self-confidence; your efficiency; your ability to visualize improvements that can be made in your field of work.

Even spare time recreation will bring more fun and relaxation if entered into with doubled enthusiasm.

The end of such a day will be so enjoyable that you will want to continue such practice in the future.

Here's another secret of happier living: Provide a background of peace of mind for yourself and your loved ones through life insurance. It offers dependable protection against emergencies and provides income for retirement.

### Hospital Notes

Miss Ralphina Foragotti was admitted to hospital on Sunday and on Tuesday morning was operated upon.

James Ruzliski, seven-year-old youngster was admitted to hospital last week.

Mr. David Herd suffered a knee injury at his employment and is hospitalized.

Mike Wistrat is in hospital receiving attention for an eye injury.

Mrs. John Stevulak sr. was admitted to hospital last Thursday.

Miss Frances Kovenko underwent an appendix operation last week.

Stuart Payne, of Sentinel, was admitted to hospital last Saturday.

Mrs. J. Harrison, R.N., has been employed on the nursing staff of the local hospital.

Howard Kitchen, an employee on the forestry road at present under construction, was stung on the hand by a bee and infection has set in. The infection was sufficiently acute to cause him to become a patient.

Mr. Andrew Skriff suffered a fracture of his collar bone while at work last Saturday and was admitted to hospital as a patient.

Richard Pedosuk while employed on the Forestry road last Thursday cut his hand quite severely with an axe and is now hospitalized.

### Lions Club Starts Fall Season

Coleman Lions Club started its fall season on Monday evening. Lion President Horace Allen was in the chair and the honored guest was Miss Mary Wainscott, of the Empire Producing Co., of Kansas City.

A report on the club's catering activities at the Rodeo revealed that a handsome profit had been made. Lion John Holky, chairman of the catering committee, was highly commended by the club for the excellent job done by himself and his committee. This is Lion John's first year as committee chairman and he showed shrewd judgment in determining the amount of food required with the result that very little food was left to waste.

Club members went on record that they would be available to dig post holes at the tennis courts should their services be required by the tennis club.

### THEATRE NOTES

#### DRAMA OF EVIL LOVE HAS THREE TOP STARS

Ray Milland, Ann Todd and Geraldine Fitzgerald — three film stars of exceptional stature — join talents to star in Hail Wallis' new Paramount produc-

tion, "So Evil My Love," which arrives next Saturday at the Roxy Theatre, with Leo G. Carroll holding the supporting cast.

Based on Joseph Shearing's novel, "For Her to See," "So Evil My Love" has its origin in the Clapham Murder Case, a famous and almost perfect crime that rocked England in the 1860's. The film tells the powerful story of a woman's degeneration under the influence of her all-consuming love for a man whose charm was exceeded only by his villainy. Milland portrays the man, Miss Todd the victim of his love, and Miss Fitzgerald the unfortunate woman who almost hangs for their crime.

# HERE'S WHERE WE STAND ON NEW-CAR SELLING

## General Motors Dealers' "Foursquare Selling Policy" assures you a Fair Deal when you buy a new car

**1 NO PADDING OF PRICES**

We guarantee our delivered prices to conform with the manufacturer's recommendation and to contain nothing but standard charges which, of course, include Sales and Excise Taxes. You receive an itemized bill of sale. All prices are an "Open Book" — they are available to you and we sell at these listed figures.

**2 NO LOADING OF UNWANTED ACCESSORIES**

All cars are offered with factory-installed accessories only and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders — and to avoid using "extras" to increase the delivered price.

We wish to express our sincere appreciation to our loyal customers and friends for their patience in awaiting their turn for delivery of new General Motors cars.

Although the popularity of General Motors cars is unprecedented, and the supply is lagging far behind the demand, we are doing our utmost to be fair and equitable in their distribution.

**But we don't do it because it's not good business.**

All dealers buy cars at clearly established factory prices which with the exception of transportation, are the same, model for model, all over the country. All start on a fair and equal basis — and should therefore sell at these fair and reasonable delivered prices.

So we're making public announcement of our code of fair dealing.

Our foursquare selling policy, simply stated, is this:

**3 TRADE-INS DESIRED — BUT NOT COMPULSORY**

We will take your order for future delivery, without requiring a trade-in. However, we have many valued used-car customers who also depend upon us to supply them with automobiles. For this reason we would like to have your trade-ins, and we'll give you a fair and reasonable allowance for it.

**4 NO COLLUSION**

While we cannot prevent our customers from reselling new cars, we will not knowingly be a party to such transactions. Our only intent is to deliver new cars to bona fide customers.

We present this platform because we believe it's good business to keep our customers informed.

It's a platform that gives you a fair deal when you buy a new car — exactly the same kind of a deal and treatment you got before the war.

If you wish additional information, it will gladly be supplied by any dealer whose name is signed to this announcement.

### LOCAL DELIVERED PRICES

## New Junior Loop To Start October 18

To Drop Two Teams Before Playoffs; Moguls Anticipate Successful Season.

Western Junior Hockey League was the official name selected for the new Alberta-Saskatchewan league, at a meeting of representatives from six entrants in the Palliser hotel, Sunday. Harper Parry of Moose Jaw, secretary-manager of the circuit, was in the chair for the lengthy session.

Delegates attending were: Mervyn Dutton, league governor; Harper Parry, secretary-manager; Ralph Nunn, and John Kuberek, Bellvue; Ladd Scotty Munro, and Ed. DePoech, Lethbridge Native Sons; George Vogan and Jerry Hall, Moose Jaw Canucks; Murray Armstrong, Regina Patriarchs; Art Rice-Jones, Calgary Buffaloes;

Joe Fisher, and Percy Yeo, Medicine Hat Farmers; and North secretary-registered A.A.H.A.

No definite schedule was drawn up but the league will start play Oct. 18. The four Alberta teams will play a 32-game schedule while Moose Jaw and Regina will take part only in 24 league fixtures.

In the provincial games, all four teams will play each other two. In case of ties the teams will play an extra 10-minute overtime period and if deadlocked the match will be declared a draw.

It was decided to drop two teams from the playoffs at the end of the season. The first and fourth team will play off in a two out of three series while the sextets finishing second and third will clash in a similar series.

### O.O.R.P. Bazaar

#### BUILD FOR THE BLIND FUND

Saturday, Sept. 18, the O.O.R.P. held their annual bazaar tea and sale in the I.O.O.F. hall. The tea tables were beautifully decorated for the occasion and the servitors were smartly dressed in white uniforms and purple tea aprons.

The fancy work tables displayed lovely pieces of work. The pantry table was filled with cakes, cookies and other home made goodies. The bazaar was very successful.

The tea prize was won by Mrs. T. Milley and the beautiful doll and complete wardrobe was won by Miss Helen Henriet.

**CARD OF THANKS**

I wish to thank the doctors and nurses of the hospital staff for their kindness and consideration during my recent illness.

—Mrs. George Welsh.

In the very near future a can-

vasser will call at your home or place of business, and this canvasser has volunteered to assist the C.N.I.B., and we ask that you be courteous, and co-operative. In the event that a canvasser does not call, kindly forward your donation to The Canadian National Institute for the Blind, Old Court House Building, Calgary, and an official receipt for income tax exemptions will be immediately mailed to you.

Help the Blind to help themselves, and help the one organization that assists all blind

persons to BUILD A BETTER TOMORROW FOR THE BLIND OF TODAY.

—V—  
CARD OF THANKS

I wish to thank all those who attended my shower and also those who could not attend yet sent gifts. My special thanks is extended to the hostesses Miss K. Kobewka, Mrs. S. Benedetto, Mrs. D. Daley, Mrs. N. Hieuka, Mrs. M. Becker, Mrs. J. Marconi sr., Mrs. J. Marconi jr., Mrs. J. Alampi, Mrs. Geo. Aristone, Mrs. P. Rizzo.

I also wish to thank Mrs. W. H. Garner for the corsage which she had brought for me. I am very sorry I could not be present but I am grateful to all.

Mrs. Harvey Swanson  
nee Josephine Alampi  
...V—

#### POLISH VETERANS JOINING LEGION

Secretary Jim Drew reveals that four or five of the new Polish veterans arrivals have taken out membership in the local branch of the Canadian Legion.

The Journal has Model 5 Remington Rand portables in stock and students who plan on purchasing their own machines to aid in their typing classes can secure one of these beautiful machines without a moment's delay.

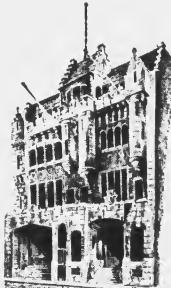

## THE PURSUIT OF HAPPINESS . . .

No man can enjoy a true life and true liberty, or pursue a genuine happiness, without first conceding the right of his fellow man to do the same. The extent of our enjoyment of these rights depends entirely on our unselfish willingness to keep our own pursuit of happiness from interfering with that of others. The moment the use of our own liberty restricts that of another . . . we are abusing the ideals our forefathers fought to maintain.

The House of Seagram believes that moderation is the key to the successful pursuit of happiness . . . moderation in our thinking, in our actions, and in our personal habits . . . moderation in all things.

*Men who Think of Tomorrow  
Practice Moderation Today!*

### THE HOUSE OF SEAGRAM

## JUST HUMMING WITH ACTIVITY

for men with some time to spare . . .

It's a centre of activity—your local armoury, just humming with activity for men with a few evenings to spare.

In the wide list of activities offered by the Canadian Army Reserve Force, you'll find things to turn those odd free evenings into interesting and even exciting ones. You'll enjoy the full programme of social and sports events. You'll be "one of the gang"—with other Reserve Force men who are finding that the armoury is their personal "clubhouse".

All the latest equipment and weapons are now being used for Reserve Force training. The summer camp sessions give you the opportunity to get away and out into the open. To top it all, you will receive full Active Force pay for all time spent in training and camp.

"SEE FOR YOURSELF" by visiting your local Reserve Force unit's open house, parades or demonstrations during Army Week, 20-26 September.

Call at the armoury of the regiment of your choice. NOW!

**THERE'S A CAREER**  
for you in the Canadian Army Active Force—a family with every opportunity for advancement, pension on completion of service. Enquire at your local armoury.

**Join the Reserve Force now!**

## First Aid Hints for SPRAINS AND STRAINS

### SPRAINS:

When, by sudden wrench or twist, the ligaments and the parts around a joint are stretched or torn, the joint is said to be sprained.

### SIGNS AND SYMPTOMS:

1. Pain at the joint.
2. Inability to use the joint without increasing the pain.
3. Swelling and, later, discoloration.

### TREATMENT:

1. Place the limb in the most comfortable position and prevent any movement.
2. Expose the joint and apply a firm bandage.
3. Wet the bandage with cold water and keep it wet.
4. When this ceases to give relief, take the bandage off and reapply it.

In all doubtful cases treat as a fracture.

### STRAINS AND RUPTURED MUSCLES:

When, during severe exertion, muscles or tendons are overstretched they are said to be strained; or, if they are actually torn, they are described as ruptured. A so called strain in the grain (hernia) is an injury of a totally different nature.

### SIGNS AND SYMPTOMS:

1. A sudden sharp pain at the seat of injury.
2. When the muscles of a limb are strained they may swell and cause severe cramp.
3. Further exertion is difficult or impossible; for example, if the strain has occurred in the back the patient may be unable to stand upright.

### TREATMENT:

1. Place the patient in the most comfortable position, and afford support to the injured part.
2. Apply a hot compress.

**SUGGESTED BY  
THE BREWING INDUSTRY OF ALBERTA**

# WORLD HAPPENINGS BRIEFLY TOLD

The foreign ministers of Denmark, Norway and Sweden recently held secret discussions on joint Scandinavian defence.

More than 200,000 farthings (\$800) have been collected by boys of South Grove School, Tottenham, to help sick, invalid and needy children.

Hassan Abd el Rehim, a 41-year-old non-commissioned officer in the Egyptian Army, swam the English Channel in 17 hours and 38 minutes.

Two young Argentinians with an estimated 27,000 racing miles behind them, passed through Edmonton homeward bound for Buenos Aires.

Every year, a Gloucestershire confectioner Frederick Horlick, 85, makes his wife a wedding anniversary cake. He recently completed his 64th.

Statesmen from Switzerland, the United States and India helped to rescue an injured climber found 2,500 feet up Ben Nevis, Britain's highest mountain.

Holm's Pride, for years a favorite campaigner on the western racing circuit, was destroyed by the humane officer on the advice of Dr. A. J. Macmillan, veterinary.

Miss Helen Bickham, 88, of Bowdon, Cheshire, England, who died last March, ordered the destruction of her eat, cows and calves in her £20,000 (\$912,000) will.

Boosted by large sales of new ships and vessels, Canada's export trade jumped \$14,300,000 during July to \$250,900,000 against \$236,000,000 in July, 1947, the bureau of statistics reported.

## SELECTED

## RECIPES

## CORN FLAKE POTATOES

6 hot boiled potatoes  
4 tablespoons mayonnaise  
1 cupful of corn flakes rolled fine  
Cook potatoes in boiling salted water until tender. Drain and roll in mayonnaise, then in the flakes. Serve hot or cold. You can also bake in a hot oven (425 deg. F.) or toast under the broiler flame, turning frequently, until well browned. Serves six.

## BAKED SQUASH WITH SAUSAGES

Cut squash in half, remove seeds and place squash in baking dish. Sprinkle with salt and  $\frac{1}{2}$  teaspoon molasses for each portion.

Put a little bacon in bottom of baking dish. Cover and bake one hour in moderate oven.

At the end of the first 30 minutes, place in each place a few small link sausages which have been put into cold water and heated to the boiling point. Finish baking uncovered.

For youngsters, the squash may be baked without the addition of sausages, and served instead with slices of crisp bacon.

## COLOR TREND CHANGING

A trend towards the choice of lighter and more colorful paint shades for automobiles is reported by manufacturers. Black and dark blues, which used to account for practically half of the volume of automobile finishing, still range highest in color preference but their margin has been considerably cut. In modern car finishing, some 60 per cent of the preference goes to such colors as light green, beige, grey and marine blue.

## THIS CURIOUS WORLD

BY WILLIAM FERGUSON

A FIVE-COURSE BANQUET.  
SERVED IN IOWA STATE COLLEGE  
WITH ALL SOYBEAN PRODUCTS,  
INCLUDING SOYBEAN COFFEE  
AND ICE CREAM."

EXPERIMENT—Eight acres of crops are being harvested with small tractors, just 13 miles from central London. The harvest is part of an experiment with roadside green land where thousands of tons of grain, potatoes, and other vegetables could be grown in hard-pressed Britain.

## Recommends Insurance To Farmers For Crop Damage By Feeding Ducks

CALGARY.—Insurance against damage to crops by feeding ducks may become a federal responsibility if a report being prepared by Dr. Oliver Hewitt, Ottawa Dominion Wild Life Service inspector, is accepted.

After inspecting crop districts in the Calgary area, Dr. Hewitt reported that extensive damage had been done by ducks feeding off crops in

the Blackfoot and Brant district and lighter damage around Brooks where a heavy yield is anticipated this year.

Dr. Hewitt said in Calgary, following his inspection, that he would recommend that some form of federal insurance be available to recompense farmers against crop damage by feeding ducks.

A similar recommendation was passed at the annual meeting of the Alberta Fish and Game association early this year. It urged that some form of insurance, similar to hail insurance, be provided.

Dr. Hewitt said that if colder weather started freezing ponds in the north, the birds would be driven south earlier than usual and farmers could then expect heavy losses unless their crops were harvested.

Winter wheat and rye crops in the district east of High River were bearing the brunt of the attack. Crops lying in swath on the ground were providing feeding grounds for the ducks and farmers do not have the men to spare to go after the birds in an all out attack.

A preliminary honey crop report says although the number of colonies has dropped this year from 588,700 to 561,700, the average yield is up from 63 pounds to 74½.

Estimated 1948 production, with last year's comparative figures in brackets:

Prince Edward Island, 70,000 (57,000); Newfoundland, Nova Scotia, 115,000 (112,000); New Brunswick, 182,000 (142,000); Quebec, 423,500 (5,398,000); Ontario, 15,751,000 (12,290,000); Manitoba, 7,498,000 (5,180,000); Saskatchewan, 5,038,000 (6,222,000); Alberta, 7,989,000 (6,507,000); British Columbia, 945,000 (1,159,000).

## Honey Crop Up By 13 Per Cent.

OTTAWA.—The honey crop this year is estimated at 41,853,000 pounds, 13 per cent. more than last year's and 17 per cent. greater than the average for the five years prior to the war.

A preliminary honey crop report says although the number of colonies has dropped this year from 588,700 to 561,700, the average yield is up from 63 pounds to 74½.

Estimated 1948 production, with last year's comparative figures in brackets:

Prince Edward Island, 70,000 (57,000); Newfoundland, Nova Scotia, 115,000 (112,000); New Brunswick, 182,000 (142,000); Quebec, 423,500 (5,398,000); Ontario, 15,751,000 (12,290,000); Manitoba, 7,498,000 (5,180,000); Saskatchewan, 5,038,000 (6,222,000); Alberta, 7,989,000 (6,507,000); British Columbia, 945,000 (1,159,000).

## MORE STRAW BALED FOR FODDER

SWIFT CURRENT.—There was more baled straw between Swift Current and Prince Albert this year than ever before in his life, says K. M. Oglivie, agriculture supervisor, said after returning from a two weeks tour of the north of the province.

Mr. Oglivie attributed this fact to the shortage of feed in many points in the province this year. In many cases he said the baling operation was completed the same day that the combining was done.

Mr. Oglivie said that this indicated to him that farmers all the way north were aware of the fodder shortage, and were taking this means of putting up straw in as small a space as possible for the winter months. In this form it is easily shipped to other points in the province when additional straw is required.

Under sanitary conditions, however, wild animals that were virtually extinct at the turn of the century are once again thriving. The buffalo is a classic example.

The re-establishment of moose in Cape Breton Highlands National Park is regarded as an important project. A recent investigation of wildlife conditions there revealed that the area is excellent moose range. Under these favourable conditions the moose should increase rapidly.

## Storing Vegetables For Winter

Now is the time to think of storing away these surplus vegetables for the winter, or at least beginning to make preparation for their storage. It is useless to wait until the cold weather is on you, then find no place ready to receive them. Sealing vegetables are cheap now; it would not be a bad idea to buy some and put them away, avoiding the conditions in the cellar are favorable.

Select a suitable portion of the cellar. Board it off from the rest of the partition and do a thorough job. Your object is to exclude the artificial heat from the furnace. Provide a false floor for part of this room. Nail a few slats on one of the walls. Build a few bins on one side of the room. Provide a few hooks in the ceiling. Order a load of builders' sand and store it in one of the bins. Provide a few flat boxes and old bags.

The reasons for the advice are given in what follows:

### CAUTION AGAINST STORING

Don't let the frost freeze the carrots before you store them into the cellar. Don't bring them in while they are in a moist condition.

Don't cover roots with damp sand if the cellar is hot. They will start to grow if you do. Eat them quickly, can, dry or give away in preference.

Don't let cold winds dry out your potatoes. If you do a bitter taste is the result.

Don't try to store onions, squash or pumpkins in a cool cellar. They will keep better in the attics.

Don't forget to watch your storage room and sort out decayed specimens before the rot spreads.

Don't forget that a thermometer is a good friend in a storage room. If it is impossible to provide a specific storage place as suggested, select that part of the cellar farthest removed from the furnace where the greatest amount of air circulation takes place.

## Oversize Eggs Causing Shippers Lot Of Trouble

WINNIPEG.—Canadian hens are causing a lot of trouble by laying oversize eggs.

A. F. Darnell, district inspector of poultry for the Department of Agriculture, said matrons have reached the stage where poultry men are asked to see what they can do about raising hens that produce smaller eggs.

Thirty years ago eggs averaged 19 ounces a dozen. Breeding programs produced strains capable of laying eggs weighing anywhere from 26 to 28 ounces a dozen. Now, approximately seven per cent. of the eggs on the market weigh more than 19 ounces a dozen.

Crates simply weren't able to cope with the expanded barnyard fruit. Mr. Darnell said that of every case of cracked or broken eggs, 80 per cent. were caused by hoppers moving when grain starts coming up.

Mr. Horner added that stubble fields in infested areas should not be seeded, since such fields were likely to be heavily infested with hopper eggs. Widespread damage when hoppers begin next spring would be "almost inevitable" because of the difficulty in controlling this type of infestation.

Manitoba producers got together and asked the federal government if the size of crates could be increased. "Go ahead"—the producers were told. They did—and the railways started beefing since it affected space allotments.

Mr. Darnell said that through a new breeding policy it was hoped to reduce somewhat the number of oversize eggs on the market. Raisers also are being discouraged from shipping big eggs overseas. Big eggs mostly are being absorbed by the home market. However, since an overseas quota must be met at least some of the big fellows get on the boat.

## WORLD TRADE WEEK TO BE HELD ANNUALLY

MONTRÉAL.—World Trade Week will be celebrated annually in Canada, it was decided at a meeting of the national committee following the first observance across the Dominion this year. The week is sponsored by The Canadian Chamber of Commerce, Canadian Exporters' Association, Canadian Section of International Chamber of Commerce, Canadian Importers and Traders Association and Canadian Manufacturers' Association.

The timing of the week in 1949, the committee decided, should take into consideration the similar week in the United States and should be held prior to the Canadian International Trade Fair.

## NEW FARM SPREADER

LONDON.—A new farm spreader that distributes a two-ton load of either artificial or natural fertilizer in 10 minutes was designed here recently. Officials say that the machine, which loads in eight minutes, can be used for bulk transport of grain or other commodities.

279

## CAUTION URGED IN FALL SEEDING

REGINA.—For the protection of crops, seeding of fall rye and winter wheat this year should be delayed until grasshoppers have practically disappeared. Field Crop Commissioner W. H. Horner said recently in pointing out that even a small number of 'hoppers could do much damage when grain starts coming up.

Mr. Horner added that stubble fields in infested areas should not be seeded, since such fields were likely to be heavily infested with hopper eggs. Widespread damage when hoppers begin next spring would be "almost inevitable" because of the difficulty in controlling this type of infestation.

Not only were crops sown on stubble-infested fields likely to be lost but there was also a danger of 'hoppers moving to nearby summerfallow crops and destroying them, Mr. Horner concluded.

### Pasteurized Milk Is Safe.

ANSWER To Last Week's Puzzle

GRAND CHAMPION SPIKE among over 10,000 entries at the National Gladiolus Show at Vancouver is this buff-white "Athlone" variety, grown by G. M. Wilcox of Vancouver.

### FIRST TRIAL

Mazas was a prison in Paris in which the first trial of solitary confinement was made in France. It was built between 1815 and 1830, and the building was demolished in 1900.

### Weekly Tip

#### ORANGE PEEL

The white lining of the orange will come off like magic simply by soaking the orange in boiling water about 5 minutes before peeling.

### Pasteurized Milk Is Safe.

The white lining of the orange will come off like magic simply by soaking the orange in boiling water about 5 minutes before peeling.

### ANSWER To Last Week's Puzzle

ANSWER To Last Week's Puzzle

## OUR WESTERN TOWNS

**CLIMAX, Sask.**

—Celebrates Silver Anniversary  
—Becoming Noted For High Grade Cattle

THE town of Climax is twenty-five years old. It was founded in 1923 and, according to old timers, was named after "Climax", a town in Minnesota. Of course, settlers had been coming into the district from 1909 on and were compelled to freight their supplies from the mainline towns of Swift Current and Gull Lake. Many of these settlers came from Minnesota and the Dakotas. Those from Minnesota are blanched or combed, according to your point of view, for the name given to the place. By-the-way, its silver anniversary was fittingly celebrated on July 1st.

The south line C.P.R. was expected by the present railway company laid out the present townsite half a mile north of where business buildings had already been erected. The whole town moved down to the new site. The general location is good; at junction of highways 37 and 46 and the central point on the southline railway, just 12

**WAS TYPICAL FRONTIER TOWN OF THE WEST**

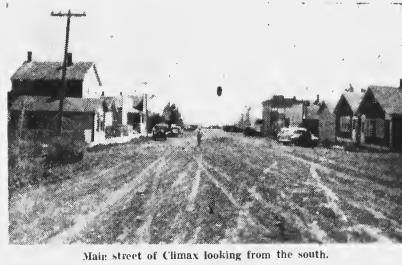

It was evidently a typical western frontier town in the early days, boasting a roadhouse called the "Bucket of Blood", "Silver Dollar" saloon, etc. Why, they even used to

The home of The Weekly Climax founded in 1923 and is published by W. A. Lukes.

bring in their horses to the picture, but we're not far from the background. Climax, having survived

the "hungry thirties" in good shape is now one of the lively and

Main street of Climax looking from the south.

The Climax Hotel is well equipped for the traveller and the touring neighbour from across the border.

**FRUIT ORCHARD WITHOUT IRRIGATION**

Within an enclosure of trees and plies to rows of apple trees—several hedges, which provide an efficient windbreak, a nice fruit orchard has been landscaped, cultivated and nurtured by George Knesch, a farmer south of Climax. The hardy caragana forms the backbone of this windbreak but there is a liberal sprinkling of ash and elm trees.

The land area enclosed, four or five acres in extent, slopes gently to the eastward, and would seem well suited to the purpose. Surprisingly enough, the whole project was started on the above ground a year ago and while producing more or less fruit during the past three or four years, reached its peak of production this season.

There are long rows of two or three different varieties of gooseberries, red, white and black currants, ground cherries and strawberries. Then comes ordinary cherries and plums. The trees are of good size, six, eight and ten feet high and well branched. That description also ap-

**THIS LITTLE PIG . . .**

REGINA.—A 300-pound Yorkshire

swine didn't like the idea of going to market, so she jumped out of a farmer's truck and ambled along a Regina business street for 15 minutes. Recaptured, she continued her trip to her destination—a packing plant.

**NEW FIRE TRUCK**

YORKTON—A new \$6,500 three-ton fire truck has been added to the equipment of the Yorkton fire department. The new equipment replaces a horse truck which has seen service for the past 17 years.

**STOP HEADACHE**

## NOTICE TO OUR MILK CUSTOMERS

From the 1st to the 15th day of September, 1948, this Company imported 25.6% of all milk received. More would have been imported had it been available and indications are that, if the demand is to be met, a much larger percentage will have to be brought in.

The only known sources of supply are in Calgary and Lethbridge and the cost laid down at Hillcrest is \$5.64 per 100 lbs., as compared to \$4.49 paid our producers.

Obviously this imported milk can not be sold at prevailing prices. Furthermore our producers have requested an increase in the price paid to them.

It has been decided to increase the price of milk by 2 cents a quart and to pay the producers an increase of 38 cents per 100 lbs. The balance of the increase is required by the Company to pay for the imported milk, increased wages to employees and other increased costs.

Commencing November 1st, 1948, the following prices will prevail:

QUARTS, retail	21 cents
QUARTS, wholesale	19 cents
GALLONS, wholesale	73 cents
PINTS	12 cents

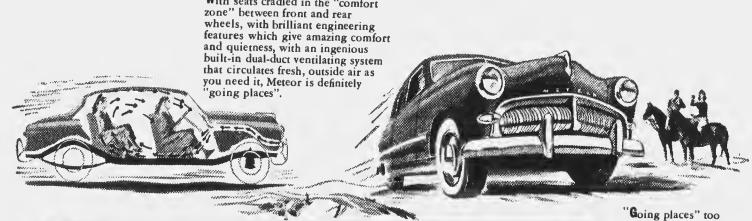

PASS DAIRY LIMITED.
